

Things You Need to Know Before Visiting Raghadan Forest, Al-Baha

Raghadan Forest Park (Credits Baha)

The Kingdom of Saudi Arabia is the home of beautiful highlands including vast deserts. Visit the mesmerizing wilderness of Raghadan Forest, a breathtaking retreat in the Al Baha region of Saudi Arabia that offers natural beauty, cool mountain air, and a variety of family-friendly activities. A popular spot for both locals and tourists, Raghadan Forest provides a refreshing contrast to the surrounding desert landscapes, making it a must-visit destination.

How to Get to Raghadhan

At the center of Al Baha lies the Ragadhan Forest, only 4 km away. Sitting at 1,700 meters above sea level, time stops when you gaze at the sweeping expanse of Tihama. Its climate soothing your soul with a gentle embrace contrasting with Saudi Arabia's reputation of scorching

temperatures.

Proximity to Major Cities

- From Riyadh: Being only 9 hours (900 km) away, the city makes it an ideal getaway on the weekend.
- From Taif: With an easy driving distance of approximately 3 hours (220 km), visit the city of Taif via Route 15.

Transportation Options

- By Public Transport: Local buses from Al Baha's main bus station provide affordable transport options to the area.
- By Taxi or Ride-Hailing Services: The popular Uber and Careem ride-hailing services operate in Al Baha. Ready to take you on a trip to the forest.
- By Car: Easily travel to Saudi Arabia's Raghadan Forest by car. Follow the Prince Mohammed bin Saud Road and King Abdulaziz Road.

Best Time to Visit

Sunset View at the Raghadan Forest Park (Credits Baha)

The atmosphere in Al Baha resembles a jolt of lightning passing through your throat when you take that first sip of a cold glass of iced tea under a blazing sun. Generally cooler than most of Saudi Arabia owing to its high elevation, certain seasons offer a smoother experience for travelers.

- Spring (March to May) & Fall (September to November): with ideal weather at this time of the year, temperatures of this season range from 15°C to 25°C (59°F to 77°F).
- Summer (June to August): Though temperatures remain cooler than lowland regions, they can still reach 30°C (86°F). Making early morning or late afternoon visits ideal.
- Winter (December to February): Warm clothing is recommended during winter. The forest can be chilly, with temperatures dropping to 5°C to 10°C (41°F to 50°F).

Top Attractions and Activities
